ABOUT US

A family business, on the road since 1998

Hokman Trans is a transport company from Bihor, Romania, founded in 1998 as a family business and grown step by step, with the same care for every load.

We move freight by road between Romania and the rest of Europe, with a focus on temperature-controlled transport: food, chocolate, flowers and pharma.

What we transport

Temperature-controlled

- Controlled temperature from -25 °C to +25 °C
- Dual temperature for different goods in one load
- Double deck on all reefer trailers
- Temperature recorded throughout the trip

General cargo

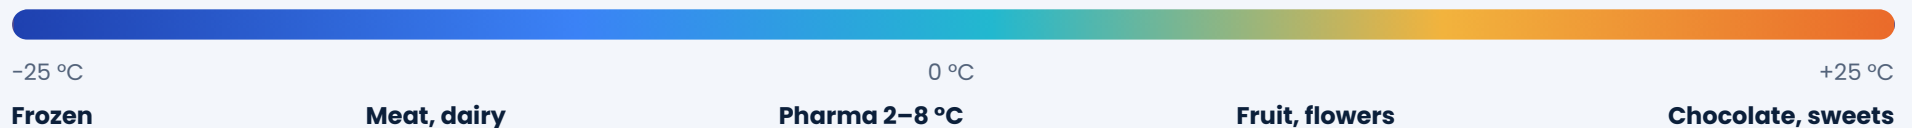

- Curtainsider trailers
- Full truckloads (FTL)
- Euro pallets and palletised goods
- 33 euro pallets on the floor, 22.5 t

ADR goods

- Trucks equipped for dangerous goods
- ADR-certified drivers
- Documents and equipment as required by ADR
- Details on request for each type of goods

The right temperature for every load

What we carry most often:

Food

Chocolate

Flowers

Pharma

FLEET

Modern trucks, **well looked after**

All our reefers have a double deck and can run with two different temperatures. Every truck and trailer is GPS-tracked, and servicing is done in our own workshop.

■ Compartment 1 · -18 °C ■ Compartment 2 · +4 °C

① 33 euro pallets on the floor ② Double deck up to 22.5 t · Carrier units
